Berowra Valley National Park

Are you ready to have fun?

Please ensure you and your group are well prepared and equipped for all possible hazards and delays. Check park closures, weather information and Fire Danger Rating before setting out. Optional side trips and alternate routes noted are not included in this walks overall grade, length or time estimate. Please allow extra time for resting and exploring areas of interest. The authors, staff and owners of wildwalks take care in preparing this information but will not accept responsibility for any inconvenience, loss or injury you may experience. Please take care, have fun - Happy Walking.

Getting there You can get to End of Blackwattle Place (gps: -33.7195, 151.0502) by car or bus. Car: There is free parking available.

This is a circuit, so you will finish back at the start.

Find up to date and more information including; travel directions, weather, park closures and walker feedback at <http://wild.tl/bcl>

0 | End of Blackwattle Place

(210 m 4 mins) From the intersection behind the gate at the end of Blackwattle Place, the walk follows the management trail steeply downhill to cross the concrete causeway. The track then meanders along before coming to the intersection with another management trail (which goes steeply down the hill on the right).

0.21 | Int of Blackwattle trail and Disturbed Creek trail

(70 m 2 mins) Turn right: From the intersection, the walk follows the management trail steeply down the hill, crossing the creek then climbing a short distance to reach the intersection marked with a 'Callicoma Walk' signpost.

0.27 | Int of Callicoma Walk and Disturbed Creek trail

(100 m 2 mins) Veer right: From the intersection, the walk follows the management trail, keeping the main creek on the right and immediately crossing a concrete causeway over a minor side creek. The walk soon comes to an intersection (with a management trail going steeply up the hill to the left).

0.37 | Int of Callicoma Walk and McKinley trail

(170 m 3 mins) Veer right: From the intersection, the walk follows the track very gently down the hill, keeping the creek on the right. After walking across some old concrete slabs and short board sections, the track bends to the right, following a red GNW track marker, and immediately crosses the creek on concrete stepping stones. The walk then climbs some steps to reach the intersection at the top.

0.54 | Top of the Disturbed Creek stairs

(70 m 1 mins) Turn sharp right: From the intersection at the top of the steps, the walk follows the management trail, keeping the houses to the left, and soon comes to the intersection just before the gate at the end of Blackwattle Place.
