Bournda Beach, Bournda National Park, lies between Tathra and Merimbula, and forms the southern end of Wallagoot Beach. The beach provides some good surf conditions with a south-easterly aspect (not patrolled). At the southern end of the beach is Bournda Island, attached to the beach by a rocky headland and tombola (sand joining the island to mainland). The dunes backing the beach are undergoing rehabilitation. Bournda Beach is accessed by Bournda Rd at either Hobart Beach camping area, Bournda Lagoon or Wallagoot Gap parking areas.
