(280 m 7 mins) From the intersection (by the signposted mobility parking bay on Cliff Drive, about 120m from Katoomba Falls Road), this walk follows the 'Cliff View Lookout 10 mins' sign gently uphill along the stenciled concrete path (with handrails on the right) for about 60m. This walk then meanders along the path gently downhill for about 45m to come to a start of the second handrail (on the left) where this walk becomes a bit steeper downhill. After about 60m this walk flattens and continues gently uphill for about 80m to come to a 3-way intersection with the 'Skyway East Station' staircase (on the left).

Continue straight: From the intersection, this walk follows the stenciled concrete path keeping the handrails on the right, almost immediately passing under the cables of the 'Skyway' cable car. This walk continues for about 40m and goes up and over a gentle rise to come to a concrete platform marked by the 'Cliff View Lookout' sign on the fence.
