Wallagoot Gap is a spectacular gorge, cut into the rock by the ocean. The Gap is a popular swimming spot where the water is channeled over a small reef and through the tall rock walls. The seclusion created by the tall walls of the beach give some protection from the wind and waves, but there is no lifeguard patrol. The walk down to Wallagoot Gap is well signposted and well maintained.

(320 m 6 mins) (Wallagoot car park is found at the end of Wallagoot Lake Rd, off the Sapphire Coast Drive.) This walk leaves the car park along the track between the information sign (on the right) and toilet (on the left), heading between two cut logs. The wide track dips through a valley then heads over a rise, coming to a signposted intersection (with a timber platform on the right).

Veer right: From the intersection, the walk heads to the timber platform then down the timber steps onto Wallagoot Gap Beach.

### **0.32 | Wallagoot Gap**

Wallagoot Gap is situated south of Tathra, facing east out onto the South Pacific Ocean. The gap is created by two headlands that protect the main beach from the wind. A second beach can be found around the corner of Wallagoot Gap, by following the right-hand side wall. Wallagoot Gap is an excellent place for a swim or a play in the sand. The gap can be accessed from Wallagoot Beach car park at the end of Wallagoot Lake Rd or the Kangarutha Track.
